Dear Families

It was wonderful to see so many people supporting our Summer Fair yesterday. We are always so grateful and appreciative of the support you give these events. A great atmosphere – and the weather wasn't too bad either after a wet start to the day! We will let you know soon how much money was raised. All of this goes towards improving the school experience further for all our children, and will make a huge difference again to what we can offer. Remember, this afternoon sees our second ever FOMHS Colour Run, and we can't wait to enjoy this too.

What a year it's been again, brimming with learning, personal growth, and significant developmental steps for every child. Being a part of so many young lives here at MHA is a true privilege. To our Year Six students, as you prepare to leave MHA on Wednesday, we extend our heartfelt wishes for great success in your new schools. It's no surprise that secondary schools are always delighted to welcome students from MHA. From the moment you first joined us, Year Six, you've been an outstanding group, and we'll be ringing out your final steps on Wednesday afternoon.

Finally, to all other students moving to new schools, we wish you all the very best and thank you for the wonderful contributions you've made during your time with us.

Our new school year starts for all children on Thursday 4th September. Breakfast Club will be open as usual, and gates open for everyone between 8:30 am and 8:45 am. This year, let's get to that super 100% attendance on the first day.

Celebrations

We held our Friday Whole School Celebration Assembly today and it was lovely to share the news from each class with everyone and celebrate all the hard work together. All of our children make us very proud each week, and to gain this additional recognition is very special.

My Personal Best Life Skills for next week are...

...we are reviewing all the skills that we have learned about and used this year.

We explore these life skills and link them to our ASPIRE values, encouraging their use in all our activities. You can read more about this here - [My Personal Best - Youth Sport Trust](#) and here - [Mount Hawke Academy - Ethos, Aims & Values](#)

Recommended Read

The final book suggestion of this school year is from Iris in Godrevy Class...Iris would like to recommend the book 'Little Acorns.' Iris really enjoyed sharing her story with the class this week, and talking about the various stages of the lifecycle of an acorn.

Science Challenge

The MHA Science Challenge will return in September.

Summer Reading Challenge

The Summer Reading Challenge for 2025 is live. St Agnes Library, and all other libraries, are taking part so sign up, get reading and collect those rewards! Let's get everyone reading (at least) six library books over the summer! Good luck everyone. Find out more here - [Summer Reading Challenge](#)

Sports News

It's been a super year of sport, with so many children representing the school in so many different sports. Indeed, a group of footballers have headed off to TLA today to take part in matches. Good luck! A huge thank you goes to Mr Brandreth for organising such a wide range of sporting events and to our children for being such a pleasure to take out, showing fair play and determination too.

Reports and Class Arrangements

Your child brought their report home on Monday. Once you have read the report, please acknowledge that you have by completing our online form...[Report Feedback](#). Thank you to everyone who has completed this already. The children spent time in their new classes yesterday too, and were all very excited to find out more about their new learning topics for next year.
