Dear Families

A very warm welcome back to the Summer Term. From chatting with the children, it sounds like everyone has enjoyed the holiday despite the weather. The children have returned raring to go, and we are in for another very busy term! We've put the majority of key dates at the end of this newsletter to help you plan ahead as we are very conscious that booking time off work can be tricky.

One thing that we have managed to arrange following requests from quite a few families, is an **internet safety meeting** with Giles Hill on **Tuesday 21st May** from 2:00pm. Giles was previously a teacher here at MHA and is now the Digital Strategy & Computing Lead for Aspire. We would be delighted to welcome as many of you as possible to his talk in the hall as he helps us all navigate this ever-

changing world. Following this, you are welcome to visit your child's class and look at their work for the year so far, leaving by 3:00pm via the main doors, so we can dismiss any remaining children safely.

My Personal Best Life Skills for next week are...

EYFS and KS1 – Courage KS2 – Respect

We will explore these skills and encourage their use in all our activities. You can read more about this here - <u>My Personal Best - Youth Sport Trust</u>

Celebrations

We held our Friday Whole School Celebration Assembly today and it was lovely to share the news from each class with everyone and celebrate all the hard work together. All of our children make us very proud each week, and to gain this additional recognition is very special.

Recommended Read

This week's recommendation comes from Nancy in Truro Class...

If you like funny and heart dropping fiction books CHARLIE AND ME is the one for you. Martin and his brother have a very funny journey from their home to Cornwall on a train – with only one adult ticket!

Martin and Charlie sneak onto a train with stolen goods (juice) on a mission to see the dolphin that they saw when they went on a family holiday before. The mystery starts when Charlie goes missing but this mystery is uncovered by an interesting friend that

Martin makes along the way. At the end, their dad is cross with them for going away without telling anyone but their new friend shows him good things can happen.

I recommend this book if you like stories that make you laugh and feel sad as it is an excellent mix of both.

Science Challenge

Here is the latest Science challenge...have fun!

Remember to send in photos or videos to hello@mounthawke.org.

RNLI Talk

We are very grateful to the RNLI who came into school to talk to Key Stage Two yesterday all about beach safety and how to make sure that they have a very safe summer enjoying the coast. The children were reminded about the flags, what to do if they are caught in a rip or get lost on the beach, along with the very important sun safety messages. They all listened very carefully and were very polite to our visitors.

Sports News

Congratulations to our football team who played two very tough matches against Ludgvan Primary earlier in the week, coming away with one win and one defeat. They are now through to the finals of the Rosewarne Shield!

We were also very pleased to receive a letter from George Eustice MP this week, congratulating MHA on achieving Platinum Status in the School Games Mark.
