Dear Families

We hope that you enjoyed Bank Holiday Monday. We are very much looking forward to welcoming you into school this afternoon from 2.00 pm to celebrate with us - the children looked wonderful this morning, coming into school in their colours and celebration clothes.

This week has seen our Year Six children take their SATs papers. They have shown such determination and pride in their learning – thank you Year Six and we hope that you enjoy your delayed Duvet Day next Friday. A big thank you must also go to the rest of the school, who have moved around the school thoughtfully while Year Six have been focussed on their 'quizzes!'

Lower Key Stage Two have been spotted out around the village this week. They have been finding out more about the geography of Mount Hawke, looking at features of the village and classifying the land use.

## Census Day Menu

Next Thursday is Census Day, where some of our funding is based on the amount of school dinners booked that day. We would love as many children as possible to order a Hot Dog Day meal to help support our funding. Thank you!

## Celebrations

We held our Friday Whole School Celebration Assembly today and it was lovely to share the news from each class with everyone and celebrate all the hard work together. All of our children make us very proud each week, and to gain this additional recognition is very special.

## LIGHT UP SCIENCE

### Science Challenge

The challenges for May are available on our website [Mount Hawke Academy - Science](http://MountHawkeAcademy-Science). They are all around the theme of light. Have fun and do keep sending your photos into us.

### Recommended Read

This week's recommendation comes from Ella in Lamorna Class...(The Boy Who Got) Accidentally Famous. Recently I read an exciting and inspiring book written by David Baddiel. The title of the book is (The Boy Who Got) Accidentally Famous. I absolutely loved this book! The book tells the story of an ordinary boy called Billy who becomes world famous and describes all the adventures he has along the way. The book also contains important life lessons about being and believing in yourself.
