

The levels of support and provision offered by Mount Hawke Academy

MOUNT HAWKE ACADEMY

Special Educational Needs and Disability Information (SEND) 2025 / 2026

Mount Hawke Academy is a vibrant, active and happy primary school which aims to develop each individual in a caring, family atmosphere. The children, staff and parents are extremely proud of our school and we aim to be inclusive of all children whatever needs they may have. The facilities we have and the education we provide are tailored to meet individual needs both inside and outside of the classroom environment. Staff at Mount Hawke Academy are all trained to cater for the needs of the children in their care and many staff have had additional training specific to individual children. We are committed to narrowing the gap between SEND and non-SEND pupils. We do this through a variety of different provisions which may include short-term specific interventions, 1:1 sessions, home-school interventions, other learning interventions developed on an individual need basis as well as support from external agencies where appropriate. Every child at Mount Hawke Academy has the opportunity to follow all subjects in the Primary Curriculum and / or access all areas of learning in the Early Years Foundation Stage, the planning and delivery of which is differentiated by our talented team of teachers and their assistants. Our Special Educational Needs and Disability Coordinator is Mr Jerry Marks:

The levels of support and provision offered by Mount Hawke Academy

1. Pupil Voice -Listening to and responding to children and young people

Wave 1 provision	Wave 2 provision	Wave 3 provision
<p>Whole school approaches: The universal offer to all children and YP.</p> 	<p>Additional, targeted support and provision</p> 	<p>Specialist, individualised support and provision</p> 
<ul style="list-style-type: none"> • The views and opinions of all pupils are valued. • Pupil voice is represented in all aspects of school. • Pupil voice is heard through a variety of strategies, including: <ul style="list-style-type: none"> - Questionnaires - School Council - Pupil Conferencing - Our Buddy System 	<ul style="list-style-type: none"> • Pupils with SEND are included in all pupil conferencing • Additional provision is developed in light of pupil voice where appropriate. 	<ul style="list-style-type: none"> • Individual support is responsive to the views of the pupil. • Pupil views are an integral part of TAC meetings. PEP meetings and SEND reviews. Teaching staff listen to the child's views and these are captured in 'All About Me'. Where appropriate, pupils attend part of their review meetings. • Targets are agreed termly to support and challenge pupils with special educational needs and disabilities. • Pupils are encouraged to be involved in reviewing their progress towards targets. • The information is recorded on Individual Provision Plans. New plans are agreed termly. • For pupils with an Education, Health and Care Plan we hold an Annual Review which is child centred and we endeavour to hear and consider the views of our pupils

2. Partnership with parents and carers

Wave 1 provision	Wave 2 provision	Wave 3 provision
<p>Whole school approaches: The universal offer to all children and YP.</p> 	<p>Additional, targeted support and provision</p> 	<p>Specialist, individualised support and provision</p> 
<ul style="list-style-type: none"> • Mount Hawke Academy works closely in partnership with all parents and carers to discuss their and their child's concerns with staff at the earliest opportunity. • The parents/carers are invited to attend parent/carer consultation evenings, where parents can talk to their children's class teachers at one one-to-one meetings. • Parent/carers know are encouraged to make an appointment to meet up with the class teacher in the first instance if they have any queries or comments they would like to discuss about their child. • Information on the school website, enables parent/carers to understand more about what their children are learning. Information is also shared through information newsletters and parents and carers are informed about school events, etc. through letters and emails and texts. • We work hard to respond to the needs of our parents and are happy for example to help 	<ul style="list-style-type: none"> • Parents/carers are encouraged to contact school about concerns by telephone, letter, home/school books, email and by coming into school. • Families are invited to attend information sessions run by school staff to help them support their child at home e.g. maths and English skills and independent homework. • Websites are available to support parents with homework. • Parents/carers are encouraged to communicate through home/school books if appropriate and helpful. • We have invited parents/carers to informal information sessions from outside agencies for example SENDiass / Vision Support / Hearing Support 	<ul style="list-style-type: none"> • Parent/carers are supported an encouraged in attending, and being actively involved in Early Support or TAC meetings, pupil reviews and in meetings with outside agencies. • Parent/carers' views are an integral part of TAC meetings and SEND reviews, the SENDCo works hard to engage with all parents and • endeavours to build supportive partnerships with parents of pupils with SEND in order to hear and meet their needs. • Feedback from parents is fed back to class teachers and other relevant staff to help us improve our provision further. • Targets are set termly to support and challenge children with Special Educational Needs • For pupils with an Education, Health and Care Plan we use an Annual Review which

4. Teaching & Learning

Wave 1 provision	Wave 2 provision	Wave 3 provision
<p>Whole school approaches: The universal offer to all children and YP.</p> 	<p>Additional, targeted support and provision</p> 	<p>Specialist, individualised support and provision</p> 
<ul style="list-style-type: none"> Our curriculum is a knowledge-based curriculum with skills underpinning. It is progressive and builds on skills and knowledge over time. Progress is made through learning more & remembering more. Lessons are carefully sequenced to ensure skills and knowledge are progressive. All of our pupils benefit from high quality teaching throughout the school. Curriculum content in our curriculum is scaffolded or differentiated to meet pupils needs. Metacognitive approaches to teaching are used to support pupils to think about their own learning more explicitly, teaching them specific strategies for planning, monitoring, and evaluating their learning. Learning Objectives are displayed and shared with all pupils. Success Criteria are shared. Pupils are given detailed verbal feedback during the lesson with next steps. 	<ul style="list-style-type: none"> We are constantly working to improve our subject knowledge and expertise to help us to support pupils effectively. Class based staff share information and lesson plans to ensure that pupils with SEND have targeted support and provision. <ul style="list-style-type: none"> Training by school staff and through specialist trainers has in past terms included: <ul style="list-style-type: none"> Scaffolding lesson content to meet the needs of learners. Autism Awareness, The use of IT to support learning, Vision support training, Hearing support, Developmental Co-ordination disorder, PRICE (Protecting Rights In a Caring Environment) training, Developmental Language Disorder Makaton Prem-Aware training Little Wandle SEND training 	<ul style="list-style-type: none"> Our teachers and teaching assistants access training and support to help them work effectively to support and challenge children. One-to-one support is in place for pupils who need more intensive support to enable them to become increasingly independent in their learning, e.g. for those with physical disabilities, sensory loss, speech and language difficulties, autism, global developmental delay. Outreach from special school requested for advice on teaching and learning. E.g. CDC/GOSH We use a multi-sensory approach to learning where possible.

The levels of support and provision offered by Mount Hawke Academy

<ul style="list-style-type: none">• Pupils' work is regularly marked and feedback code given.• English and Mathematics are a priority for all staff: Key vocabulary and key terms are displayed and discussed.• The Senior Leadership Team (SLT) & external moderators undertake regular lesson drop-ins and work scrutiny to monitor, evaluate and improve our teaching and learning.• High quality training is a priority at school for all of our staff. <p>Pupil progress is monitored and recorded using:</p> <ul style="list-style-type: none">-An online tracking system-Class observations and records-Book scrutiny-Assessment during each school year- Tapestry-Pupil conferencing-Feedback from pupils and parents <ul style="list-style-type: none">• The progress of individual pupils and groups of pupils is discussed at pupil progress meetings between class teachers and the Head of School and SENDCo. The information gathered is then used to identify gaps in learning, ensuring all pupils make maximum progress based on their individual needs.	<ul style="list-style-type: none">• Class based staff work with small groups to:<ul style="list-style-type: none">- ensure understanding- facilitate learning- foster independence- keep pupils on task. <p>Independent pupil learning is supported by the use of technology.</p> <ul style="list-style-type: none">• Special examination arrangements are put in place for internal and external tests and examinations (readers scribes etc).

Pupil progress

Pupils' progress in lessons is assessed on a daily basis by the class teacher, and where appropriate, through discussions with other staff members. Pupils also have the opportunity to self-assess their progress towards the learning outcomes in their lessons.

For pupils with SEND, termly Individual Provision Maps (IPM) are created by the class teacher in collaboration with the pupil and SENDCO. These maps outline specific targets and strategies tailored to the child's needs. As pupils achieve these targets, they are adjusted, or new ones are set. At the end of each term, pupils with SEND reflect on their progress and provide feedback on their journey towards these individual targets.

How do we know how good our SEND provision is at Mount Hawke Academy?

We evaluate the quality of our SEN provision throughout the year to ensure it meets the needs of all our pupils. This is done through half-termly data analysis of subjects such as reading, writing, maths, science, and the foundation subjects including music, art, DT, history, geography, and PE.

The quality of our SEND provision is also reviewed through termly Aspire monitoring visits, lesson and intervention group observations, learning walks, book scrutinies, and discussions with pupils. We use this information to plan and adjust the support we provide for our pupils with SEND as needed.

Our commitment to excellence is reflected in the outstanding grades awarded to the school in the recent OFSTED inspection (October 2024). OFSTED highlighted our approach to SEND, stating, "From the moment children start in the early years, staff demonstrate high levels of warmth and care. Staff ensure that pupils with SEND play a full part in the life of the school, including participation in extra-curricular activities. Staff make precise adaptations to support pupils with SEND. This helps them to learn well and thrive."

Additionally, OFSTED praised the strong culture of support at Mount Hawke Academy, noting that "the school places a high priority on pupils' personal development and wellbeing, including those with SEND," and highlighted our success in creating an inclusive environment. The report also affirmed that "the school relentlessly continues its pursuit for excellence, evaluating its work to check that no limits are put on what pupils can achieve," ensuring all pupils, including those with SEND, have access to high-quality education.

The levels of support and provision offered by Mount Hawke Academy

If you wish to complain

If you feel that you have concerns about your child's SEND provision, in the first instance please speak to the class teacher. Where appropriate, concerns may then be escalated to the Head of School (Miss Catherine Biddick).

Cornwall's Local Offer can be found on The Cornwall Family Information Services (FIS) website: <http://cornwall.childrensservicedirectory.org.uk>

FREQUENTLY ASKED QUESTIONS

1. How does your school know if children/young people need extra help?

At Mount Hawke Academy, we always listen to parents' concerns about their child. We closely monitor children who may be vulnerable or are experiencing challenges related to disability, emotional well-being, or academic progress. This is done through tools such as termly tracking systems and regular feedback from staff. Together, this information helps us identify children who may need extra support.

When a child joins our school from another setting, we make every effort to gather as much information as possible from their previous school. If external professionals are involved with the child, their opinions and reports are carefully considered to ensure we have a comprehensive understanding of the child's needs.

2. What should I do if I think my child may have special educational needs?

If you think your child may have a special educational need, we are here to listen and support you. Please speak to your child's class teacher initially, and following that conversation, they may arrange a meeting with the Special Educational Needs and Disability Co-ordinator (SENDSCO) and/or the Head Teacher. After these discussions, appropriate steps will be taken to address any concerns you may have regarding your child's needs.

3. How will the curriculum be matched to my child's needs and how will their needs be supported?

At Mount Hawke Academy, we take a flexible and creative approach to both the Early Years Foundation Stage Framework and the Primary Curriculum. We carefully plan lessons and activities to ensure they are accessible to all pupils, creating a curriculum that is rich, varied, and relevant to inspire and engage children in their learning.

All lessons are adapted to meet the needs of every child. If a child requires additional support, they may be withdrawn from the classroom for short periods to access more intensive interventions. However, we take great care to ensure they do not miss out on key classroom learning.

The levels of support and provision offered by Mount Hawke Academy

Interventions are planned collaboratively by the class teacher and SENDCO, ensuring they closely align with the child's current classroom learning. These interventions are designed to help the child develop skills that they can then apply back in the classroom, fostering both their academic progress and emotional well-being, as well as encouraging greater independence in their learning.

4. How will I know how my child is doing and how will you help me to support my child's learning?

At Mount Hawke Academy, we believe in maintaining an open and positive dialogue with parents to support each child's learning and development. We operate an 'open door' policy, which allows parents to speak to staff at the end of the day or arrange meetings to discuss concerns, share successes, and celebrate achievements.

Parents are invited to attend Parent Consultations in both the autumn and spring terms. For families of pupils with SEND, these consultations provide an opportunity for the class teacher to share specific strategies that can be used at home to further support their child's learning.

In addition, families can engage with a variety of optional learning activities, often linked to the class topic, to further support their child's learning at home.

Each year, parents receive an annual report outlining their child's progress, and throughout the year, we host 'open afternoons,' where parents are invited to visit classrooms to observe and discuss their child's learning. We also provide 'learning together' sessions after school, such as maths workshops, where parents can join their children in exploring learning activities.

5. What support will there be for my child's overall well-being?

At Mount Hawke Academy, the well-being of every child is a central priority. We provide a nurturing and supportive environment that promotes both physical and mental health, helping children to thrive in all aspects of life.

We support children's well-being in a variety of ways, including:

- Teaching them how to stay physically healthy and enjoy good mental health
- Promoting healthy lifestyle choices and emotional literacy
- Keeping them safe from harm and neglect through strong safeguarding practices
- Helping them to enjoy school life and achieve their potential through rich, meaningful learning experiences
- Equipping them with the skills they need for adulthood and encouraging independence
- Enabling them to contribute positively to school life, the wider community, and society
- Ensuring that no child is held back by economic disadvantage and that all pupils can access the opportunities they need to succeed

The levels of support and provision offered by Mount Hawke Academy

We also offer targeted well-being support where needed, including pastoral care, emotional literacy interventions, and access to external services.

6. How accessible is the school environment?

Mount Hawke Academy is committed to providing an inclusive and accessible environment for all pupils, staff, and visitors. Our school buildings are fully accessible, with level access and ramps where needed. We have accessible changing and toilet facilities located at both ends of the school to support pupils with physical or medical needs.

We make reasonable adjustments where necessary to ensure that all children can access the curriculum and school environment safely and comfortably.

7. How will school prepare and support my child through the transition from key stage to key stage and beyond?

At Mount Hawke Academy, we recognise that transitions can be challenging, and we are committed to ensuring that every child is well supported during each stage of change—whether moving to a new class within school or transitioning to secondary education. We take time to listen to pupils' views and actively involve parents throughout the process. When pupils with SEND move on to secondary school, staff from both settings work closely together to create an individualised transition plan. This may include additional visits to the new school, supported by familiar staff, as well as extra opportunities for parents to meet with the secondary school's SEND team.

More details about our transition support can be found in the SEND Information Report.

8. What specialist services and expertise are available at or accessed by your school?

We access a wide range of specialist services to support our pupils with SEND, depending on individual needs. Some of these services are provided within the Aspire Multi Academy Trust, while others are delivered by external agencies. These include, but are not limited to, Speech and Language Therapy, the Early Help Hub, and the Autism Spectrum Team.

Parents can also explore available support services through the Family Information Service website:

<http://www.cornwallfisdirectory.org.uk/kb5/cornwall/fsd/home.page>

This site offers information on a wide range of resources, including parent training opportunities and drop-in sessions.

9. How will my child be included in activities outside the classroom including school trips?

The levels of support and provision offered by Mount Hawke Academy

At Mount Hawke Academy, inclusion is at the heart of everything we do. Activities outside the classroom—such as school trips, camps, and after-school clubs—are a valued part of school life and are planned with all children in mind.

All pupils are encouraged to take part, and those who require additional support are enabled to do so with the help of their 1:1 support assistants where appropriate. Adaptations are made when necessary to ensure that every child can participate fully, while also being mindful to maintain the quality of experience for all children involved.

10. What SEND training have the staff at school had or are having?

The Special Educational Needs and Disabilities Co-ordinator (SENDCo) holds a Master's degree in Education and has completed the National Award for SEN Co-ordination—a year-long, in-depth qualification covering a broad range of topics to support effective provision for children with Special Educational Needs in school.

In addition, both the SENDCo and other members of staff regularly engage in ongoing professional development. A full list of recent training is available in the SEN Review Document on the school website.

So far this year, staff have received training on developing Mentally Healthy Schools, Trauma-Informed Practice, and PREM Aware approaches, which focus on understanding the long-term effects of premature birth on children's learning and development.

11. What should I do if I feel that the Local Offer and the Information Report is not being delivered or is not meeting my child's needs?

If you have concerns that the Local Offer, the Information Report, or the School's SEND provision is not being delivered as expected or is not meeting your child's needs, we encourage you to contact the school directly in the first instance. Please speak to the SENDCo, Mr J Marks, who will be happy to discuss your concerns and work with you to find a resolution.

If your concerns remain unresolved, you may escalate them to the Director of Inclusion for Aspire Academy Trust, Sally Hannaford, or to the Board of Directors.

12. How is your School Offer and Information report reviewed?

Our School Offer and Information Report are reviewed annually in consultation with staff and hub councilors.
