## Art and Design Curriculum Progression of Knowledge and Skills

### EYFS – Art & Design Knowledge and Skills Progression (Expressive Arts & Design)

In EYFS, Art falls within the 'Expressive Arts and Design' area of learning. Our children are taught different artistic methods and techniques and are provided with open ended resources for them to practise and experiment with during their free time. Children are exposed to artists and their work and use their work as a stimulus for their own masterpieces.

Exploring and Developing Ideas	<p>Children start to understand how ideas are developed through processes. Children build up resilience to getting things wrong and trying again. Children practise and share their learning and skills with others, receive and offer feedback to improve.</p> <p><b>KS1 Art and Design National Curriculum</b> To produce creative work, exploring their ideas and recording experiences.</p> <p>Children can:</p> <ul style="list-style-type: none"> <li>a respond positively to ideas and starting points;</li> <li>b explore ideas and collect information;</li> <li>c describe differences and similarities and make links to their own work;</li> <li>d try different materials and methods to improve;</li> <li>e use key vocabulary to demonstrate knowledge and understanding in this strand: work, work of art, idea, starting point, observe, focus, design, improve.</li> </ul>	<p>Children start collecting and developing ideas using sketchbooks. They continue to build up resilience, making mistakes and suggesting improvements to improve their work. Children practise and share their learning and skills with others, giving and receiving feedback to improve.</p> <p><b>KS2 Art and Design National Curriculum</b> Pupils should be taught to develop their techniques with creativity, experimentation and an increasing awareness of different kinds of art, craft and design.</p> <p>To create sketchbooks to record their observations and use them to review and revisit ideas.</p> <p>Children can:</p> <ul style="list-style-type: none"> <li>a use sketchbooks to record ideas;</li> <li>b explore ideas from first-hand observations;</li> <li>c question and make observations about starting points, and respond positively to suggestions;</li> <li>d adapt and refine ideas;</li> <li>e use key vocabulary to demonstrate knowledge and understanding in this strand: line, pattern, texture, form, record, detail, question, observe, refine.</li> </ul>	<p>Children start collecting more information and resources to present in sketchbooks. They continue to build their knowledge of techniques by experimenting and predicting what might happen. Children continue to practise and share their learning and skills with others, receiving and offering feedback to improve.</p> <p><b>KS2 Art and Design National Curriculum</b> Pupils should be taught to develop their techniques with creativity, experimentation and an increasing awareness of different kinds of art, craft and design.</p> <p>To create sketchbooks to record their observations and use them to review and revisit ideas.</p> <p>Children can:</p> <ul style="list-style-type: none"> <li>a review and revisit ideas in their sketchbooks;</li> <li>b offer feedback using technical vocabulary;</li> <li>c think critically about their art and design work;</li> <li>d use digital technology as sources for developing ideas;</li> <li>e use key vocabulary to demonstrate knowledge and understanding in this strand: sketchbook, develop, refine, texture, shape, form, pattern, structure.</li> </ul>
Drawing	<p>Children begin to explore different techniques involved in drawing such as shading, thick and thin lines, patterns and shapes as well as using different surfaces to draw on. Children are also exposed to using different materials to draw with such as pencils, felt tips, charcoal, crayons, chalk and pastels.</p> <p><b>KS1 Art and Design National Curriculum</b> To become proficient in drawing techniques.</p> <p>To use drawing to develop and share their ideas, experiences and imagination.</p> <p>Children can:</p> <ul style="list-style-type: none"> <li>a draw lines of varying thickness;</li> <li>b use dots and lines to demonstrate pattern and texture;</li> <li>c use different materials to draw, for example pastels, chalk, felt tips;</li> <li>d use key vocabulary to demonstrate knowledge and understanding in this strand.</li> </ul>	<p>Children develop their knowledge of drawing by continuing to use a variety of drawing tools from KS1.
